— GRANITO —

Altissama
• The style of urbanity •

Vol.-2 (Super High Gloss)

BRAND INTRODUCTION

indian heart, worldwide vision

From its headquarters in Morbi, it designs, develops, manufactures and distributes ceramic tiles for two commercial sizes: 60x120cm & 80x160cm. Pollens Granito owns production plants in Morbi with a capacity of over 9 million square meters per year. It produces more than 4,500 Designs that are distributed worldwide through sales offices and warehouses located in Italy, United States, Russia, Germany, India and Hong Kong.

Pollens Granito has a logistics organization geared to respond immediately to the needs of the global market; its skilled team has a market oriented approach, it provides tailor made solutions from design to tiles installation.

Pollens Granito operates in more than 70 countries with large points of sale. In some strategic areas, its international strength is underlined by specific divisions. In order to promptly fulfil the orders that arrive from 4 different continents.

Altissama

• The style of urbanity •

600x1200mm
Super High Gloss

Designed to create a calm and serene environment along with showing class and character to living and working spaces of all surfaces, our tiles make a style statement allowing you to choose from a wide range of designs, textures, colors, and effects.

Altissama

• The style of urbanity •

Explore the crest of majesty

The surprising shine of the materials enhances the prestige and natural beauty of surfaces. We have created a timeless amazing collection that definitely meets contemporary design with unmatched elegance.

Their colors and structures coordinate with one another spontaneously and are therefore always in harmony. The size range allows for enhancement of any space and offers the utmost design freedom for newly created modular solutions. These multi size installation patterns clad any surface with style and class. The tiles come in two main variations and are meant to reflect the true serenity of a space, whether it be on a wall or on a floor. Added to the marvelous designs, custom installation and handmade perfection, these tiles will surely make your space look more beautiful than ever before.

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by Pollens Granito are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile
Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe &
Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Design
Varaities

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More
Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
