FLAIR

A Stunning Coarseness

60x120cm / Glossy Finish

Beauty Of Tiles That Define The Class

We draw inspiration from glacier in our product development and process. Our aim is to offer our customers elegant collections with extraordinary naturalness, great resistance and inalterability over time. Nature never ceases to surprise us.

FLAIR
A Stunning Coarseness

Surface for ultimate design project.

Flair is inspired by nature for the creation of surfaces that reflect the variability and beauty of natural stone. The ceramic product is enhanced by technical qualities and the flexibility of modular formats, thicknesses and finishes, to become a new material, in harmony with people and their surrounding environment.

A sure solution to new design needs for making a better future. Flair collections embody the combination of beauty, design and nature, in a perfect equilibrium achieved through what has always been a deliberate and thought-out approach.

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by Pollens Granito are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe & Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Design Varieties

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
