When ceramic becomes art

Vol-1

Brand Introduction

indian heart, worldwide vision

From its headquarters in Morbi, it designs, develops, manufactures and distributes ceramic tiles for two commercial sizes: 60x120cm & 80x160cm. Pollens Granito owns production plants in Morbi with a capacity of over 9 million square meters per year. It produces more than 4,500 Designs that are distributed worldwide through sales offices and warehouses located in Italy, United States, Russia, Germany, India and Hong Kong.

Pollens Granito has a logistics organization geared to respond immediately to the needs of the global market; its skilled team has a market oriented approach, it provides tailor made solutions from design to tiles installation.

Pollens Granito operates in more than 70 countries with large points of sale. In some strategic areas, its international strength is underlined by specific divisions. In order to promptly fulfil the orders that arrive from 4 different continents.

Plus, Pure & Natural Raw Materials

Multiple colored mixes are randomly blended to create a unique, unrepeatable mix in every slab. A system of patented technologies reproduces the randomness of nature and handmade objects. Every single Tile looks different from all the others. The distribution of the colors and grain, random and unrepeatable, composes a harmony with the unique fascination of nature and hand craftsmanship.
